

August 2011

Greetings 2nd Grade Catholic School Families,

My name is Lynn Meyer. As the Children's Coordinator at St. Joseph Parish, I have the immense pleasure of helping families prepare their children for sacraments. This is an exciting year for your family, especially for that second grader who will celebrate two sacraments this year, First Reconciliation and First Communion. Are you ready for a spiritual high?

Don't get me wrong. Preparation for two sacraments is a lot of work. Yet, if you approach this process with a heart and mind open to receiving Christ's message, you will also receive many blessings and great joy!

For clarification, sacraments are received within your parish community. Therefore, preparation is also handled through the parish. Your child will also learn about the sacraments in his/her second grade class at St. Stanislaus School or St. Bronislava School, but retreats and parent meetings are done at the parish.

Enclosed are the registration forms that must be completed and returned to St. Joseph Parish. You need only sign up for the sacraments, not for Grade 2 CCD. Fees are \$15.00 for each sacrament. Forms are due by August 31 along with payment of preparation fees. A schedule will then be sent to you.

If you have any questions, you may contact me directly at 715-341-1617 x114.

I look forward to meeting you at the first parent meeting in November.

Sincerely,

Lynn Meyer
