

August 2011

Welcome Families of St. Joseph Parish,

Registration for sacrament preparation and religious education programs is now in progress. You may register in person or by mail. Enclosed is a white registration form that must be completed for every program. For those families who will have children preparing for First Reconciliation and First Communion, a sacrament form is enclosed. Confirmation families should have already received their sacrament forms. A Reminder: Catholic School students must also register with the parish and pay appropriate fees when celebrating the sacraments.

Please complete all forms thoroughly. Note that the white family registration form has two sides. Be sure to include any pertinent special information (medical concerns, learning needs, placement requests) on the bottom of side one.

Completed forms, along with a full or half payment, should be returned to the Religious Education Office. When we have received the forms and payment, we will send the appropriate program schedules. Additional copies of the forms can be downloaded from our website [www.togetherinfaith.org](http://www.togetherinfaith.org). See fee schedule on the back of the registration form. Checks should be made payable to: *St. Joseph Parish*. Be sure to look for the Early Bird discount deadline!
